Dear Commissioner,

Please find the enclosed "Response to the Office Action" in responses to the examiner's communication dated Nov 28, 2003.

Specifically,

- (1) all amendments to the specification now start on a separate page,
- (2) a complete listings of all of the claims are provided,
- (3) a complete listing of claims now include the text of all claims including withdrawn claims,
- (4) each claims has been provided with proper status identifier (such as "currently amended" and "withdrawn"),
- ✱ (5) and the extension of time has been filed due to the fact that the last day of the reply fell on Sunday where no mail delivery services such as UPS/FEDEX was available.

Thank you for the consideration and I look forward to your answer.

Best regards!

Sincerely yours

Jiong John Jiang
